Job Title: Digital Engagement & Community Outreach Specialist (I.D.E.A. Focused)

Organization: Virtual Influencers Progressive Party

About Us:

The Virtual Influencers Progressive Party is a dynamic, forward-thinking organization leveraging the power of digital engagement and virtual influencers to drive progressive change. We are committed to fostering an inclusive and equitable environment, amplifying diverse voices, and promoting authentic representation. We champion I.D.E.A. principles and are dedicated to empowering women through initiatives aligned with AuthenticateHER.Info.

Job Summary:

We are seeking a passionate and innovative Digital Engagement & Community Outreach Specialist to join our team. This role will be crucial in developing and implementing digital strategies that engage diverse communities, promote our platform, and drive action. You will utilize cutting-edge technology, including Gemini and FlashMobile Player cards, to create compelling content and build meaningful connections.

Responsibilities:

- **Content Creation & Management:**
 - **Develop engaging and inclusive content for various digital platforms, including social media, messaging apps, and virtual influencer collaborations.**
 - **Utilize Gemini to generate creative content, analyze trends, and optimize engagement strategies.**

- **Create and manage digital campaigns using FlashMobile Player cards to reach targeted audiences and drive participation.**
- **Community Engagement & Outreach:**
 - **Build and maintain relationships with diverse communities, ensuring their voices are heard and represented.**
 - **Facilitate online and offline events to promote dialogue and foster a sense of belonging.**
 - **Respond to community inquiries and feedback in a timely and respectful manner.**
- **Data Analysis & Reporting:**
 - **Track and analyze digital engagement metrics to measure the effectiveness of campaigns and identify areas for improvement.**
 - **Generate reports on community outreach efforts, highlighting key insights and recommendations.**

- **Using Gemini, create reports of collected data, and find trends within the data.**
- **I.D.E.A. & AuthenticateHER.Info Advocacy:**
 - **Integrate I.D.E.A. principles into all aspects of digital engagement and community outreach.**
 - **Champion AuthenticateHER.Info initiatives, empowering women and promoting authentic representation.**
 - **Ensure all content and interactions are inclusive, respectful, and culturally sensitive.**
- **Collaboration & Communication:**
 - **Collaborate with virtual influencers, content creators, and other stakeholders to develop and execute digital strategies.**
 - **Communicate effectively with team members and community partners.**
 - **Work with the texting teams, to make sure all data is reported correctly.**

Qualifications:

- **Demonstrated commitment to I.D.E.A. principles and AuthenticateHER.Info values.**
- **Strong understanding of digital engagement strategies and social media platforms.**
- **Experience using data analytics tools to track and measure campaign performance.**
- **Excellent written and verbal communication skills.**
- **Ability to work independently and as part of a team.**
- **Creativity and innovation in developing digital content.**
- **Familiarity with AI tools, specifically Gemini, is highly desirable.**
- **Experience with mobile marketing and digital outreach.**
- **A proven track record of inclusive community engagement.**

To Apply:

Please submit your resume, cover letter, and portfolio of digital work demonstrating your commitment to I.D.E.A. and AuthenticateHER.Info principles.

This job description emphasizes the unique blend of digital skills, technological proficiency, and a deep commitment to inclusivity and representation.
